Many serve in Mishicot

The village of Mishicot was incorporated as a village on Aug. 23, 1950, with Hugo F. Holst as the first president and Reuben Harpt as the first village supervisor. The current village government involves the efforts of many persons,

including (front from left) James Bydalek, clerk-treasurer who has served in office for eight years; George Krause Sr., trustee for five years and president for the last five years; and John Tess, trustee in office for seven years; as well

as (rear from left) Leonard Bodwin, trustee serving for 10 years; Harvey Dvorak Sr., trustee serving 11 years; John Wegner, trustee serving five years; Gary Yanda, trustee for two years; and Roland Schmidt, trustee for four years.

Mishicot bridge to be replaced

MISHICOT — The Wisconsin Department of Transportation is planning to replace the East Twin River Bridge on State Highway 147 in Mishicot.

The project is scheduled for the summer of 1985.

The new bridge will provide a 44-foot wide riding surface with five-foot wide sidewalks on each side. The bridge will also be longer and higher than the existing bridge in an effort to

lessen the chance for flooding within the village.

Traffic will be detoured while the new beidge is being constructed. Some new highway right-of-way is needed for the project and is planned to be acquired during the summer of 1984.

A meeting to discuss the design aspects of the bridge project will be held with village of Mishicot officials, affected property owners and interested local citizens at 1 p.m. Wednesday at the Mishicot Village Hall.
